Arts and Humanities = AH

Social Science: Scientific Study of Human Behavior = SSHB

Social Science: Societies & Institutions Over Time = SIT

Transfer Electives:

Selected based on the student's intended teacher certification program and must correspond to the area of subject content the student will teach at the middle school level.

***It is the student's responsibility to be knowledgeable of NCC graduation requirements and, if applicable, to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed.**
