

# How do I transfer from NCC to another school?

## Plan...

Your career and academic goals. The Career Services Office ([careers@northampton.edu](mailto:careers@northampton.edu) or 610-861-5344) can help you with this process. They can administer aptitude, interest, or career tests, discuss career opportunities & outlook!

## APPLY...

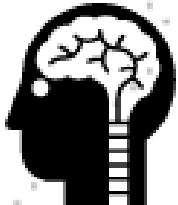

To the schools you choose using their online applications (*application fee waivers may be obtained by calling that schools admissions office*). **Make sure to adhere to any application deadlines posted!**

## RESEARCH...

To find colleges/universities that fit your needs. Consider things like academics, social climate, location, variety of majors, religious preferences, etc.

[www.collegeboard.org](http://www.collegeboard.org) & <http://www.petersons.com>

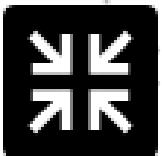

## TRANSCRIPTS...

- Official High School transcripts from your high school guidance office.
- Official NCC transcripts (one copy when you apply, one copy when you finish your last semester with NCC) <https://www.northampton.edu/admissions/register-for-classes/transcripts.html>

## Narrow...

Your list of schools, try to stay within 1-5 schools total. Contact the schools or visit their websites for more information to help you decide further.

## FINANCIAL AID...

Forms should be filled out **as soon as possible**. Also complete any financial aid paperwork from the schools you're applying to.

Visit <https://studentaid.gov> for more information.

## SCHEDULE...

An appointment with your academic advisor navigator.

If you do not have an assigned academic advisor, please contact advising at **610-861-5346**.

You can discuss your plan, the process, transfer credits, and other questions that arise.

## GO...

To your orientation at the school you choose! It's an important day to learn things about that school and meet new people!
